ABOUT US

PT Inti Niaga Anugerah is a dynamic company specializing in the export of high-quality handcrafted products, particularly those made from agel fibers. Our company takes pride in promoting traditional craftsmanship through the production of woven goods that combine timeless techniques with modern design elements. In addition to our focus on handicrafts, we also produce and sell premium "Lapis Legit," a traditional Indonesian layer cake known for its rich taste and meticulous preparation

Our Vision

At PT Inti Niaga Anugerah, we are dedicated to preserving Indonesia's rich cultural heritage while promoting sustainability in our business practices. We aim to be a leading exporter of handcrafted products that not only showcase the beauty of traditional craftsmanship but also contribute positively to the global marketplace. Our vision is to bring the elegance of Indonesian handicrafts and the delightful taste of our premium cakes to customers around the world.

PRODUCTS

OUR HANDICRAFTS

Our core expertise lies in the production of woven goods crafted from agel fiber, a natural and sustainable material native to Indonesia. Each item is handcrafted by skilled artisans who have mastered the art of weaving over generations. We offer a wide range of products, including baskets, home décor items, and fashion accessories that meet international standards for design and quality. Our commitment to sustainability is evident in our choice of materials and processes, ensuring that our products not only delight customers but also respect the environment.

PREMIUM LAPIS LEGIT

Aside from our handicraft business, we are also known for producing one of Indonesia's most beloved traditional cakes—Lapis Legit. This premium dessert is renowned for its rich layers, buttery texture, and unique flavors. Our Lapis Legit is made from the finest ingredients, ensuring a premium quality product that is perfect for any occasion. Whether for personal enjoyment or as a gift, our cakes are crafted with precision and dedication to taste and tradition.
